- 4 questions missed = 75%
- 5 questions missed = 68.75% — Failing

# Grading Rubric for VSF Employee Training Scenarios

### Criteria Overview

Each criterion is scored on a scale of **1-5**, with 5 being exemplary and 1 being poor. The total score reflects the employee's ability to handle customer interactions professionally, empathetically, and effectively while adhering to rules and procedures.

---

## Grading Criteria

1. **Professionalism**
    - **1**: Displays an unprofessional tone, becomes defensive, or argues with the customer.
    - **2**: Demonstrates some professionalism but uses dismissive or curt language.
    - **3**: Maintains a neutral tone but does not actively de-escalate or build rapport.
    - **4**: Uses a calm and professional tone throughout but misses opportunities to enhance the interaction.
    - **5**: Exemplifies professionalism, remains calm, respectful, and focused on resolution even in difficult situations.

---

2. **Authority**
    - **1**: Does not demonstrate understanding of their authority or backs down unnecessarily.
    - **2**: Struggles to explain policies or enforces them without clarity.
    - **3**: Enforces rules appropriately but with minimal confidence or clarity.
    - **4**: Clearly communicates policies and enforces them fairly and confidently.
    - **5**: Demonstrates complete confidence in explaining and enforcing policies while remaining approachable and professional.

---

3. **Empathy**
    - **1**: Shows no concern for the customer's emotions or circumstances.

- **2**: Acknowledges emotions but does not respond effectively to the customer's frustrations.
- **3**: Displays empathy but struggles to balance it with enforcing policies.
- **4**: Effectively balances empathy with fairness, acknowledging customer concerns while maintaining professionalism.
- **5**: Goes above and beyond to demonstrate understanding and compassion while still adhering to the rules.

---

4. **Knowledge of Rules & Procedures**
   - **1**: Lacks understanding of rules, provides incorrect information, or cannot explain policies.
   - **2**: Demonstrates basic knowledge but struggles to apply or communicate rules effectively.
   - **3**: Understands policies but misses opportunities to fully explain them or lacks clarity.
   - **4**: Accurately explains and applies policies but could be more thorough or confident.
   - **5**: Displays expert knowledge of policies, explains them clearly, and applies them seamlessly to the situation.

---

5. **Customer Service**
   - **1**: Does not attempt to assist the customer or resolve the issue.
   - **2**: Attempts to assist but uses poor communication or fails to address the customer's main concerns.
   - **3**: Provides basic assistance but lacks a proactive approach to customer needs.
   - **4**: Effectively assists the customer and ensures clarity but misses opportunities for exceptional service.
   - **5**: Delivers exceptional service by addressing concerns, providing clear next steps, and ensuring the customer feels heard and supported.

---

## Scenarios Application

### Scenario A: Customer Service

- Focus: Professionalism, Empathy, and Knowledge of Procedures.
- Example Response Scoring: Employee calmly explains the process, acknowledges frustration, and focuses on resolving the issue.

### Scenario B: All Attitude

- Focus: Professionalism, Authority, and Customer Service.
- Example Response Scoring: Employee avoids arguing or dismissing the customer, instead redirecting the conversation to productive next steps.

### Scenario C: Empathy

- Focus: Empathy and Professionalism.
- Example Response Scoring: Employee listens actively, validates emotions, and offers constructive solutions while adhering to policies.

### Scenario D: Legal

- Focus: Knowledge of Rules, Authority, and Professionalism.
- Example Response Scoring: Employee calmly explains legal obligations, maintains professionalism under pressure, and provides clear information.

### Scenario E: Safety

- Focus: Professionalism, Authority, and Knowledge of Procedures.
- Example Response Scoring: Employee prioritizes safety, calmly disengages when threatened, and follows protocols for escalating the situation.

### Scenario F: Payment

- Focus: Knowledge of Procedures, Empathy, and Professionalism.
- Example Response Scoring: Employee explains payment policies clearly and calmly while acknowledging the customer's frustration.

### Scenario G: Customer Call

- Focus: Customer Service, Knowledge of Procedures.
- Example Response Scoring: Employee verifies vehicle details, provides accurate information, and ensures the customer understands the process.

### Scenario H: Customer 2nd Call

- Focus: Empathy, Knowledge of Procedures, and Customer Service.
- Example Response Scoring: Employee explains fees clearly, validates the customer's concerns, and provides helpful guidance.

---

## Scoring Example

- **Professionalism (1-5)**
- **Authority (1-5)**
- **Empathy (1-5)**
- **Knowledge of Rules & Procedures (1-5)**
- **Customer Service (1-5)**

**Total Score: ____ / 25**

**Rating Scale:**

- **21-25**: Excellent

- **16-20**: Good
- **11-15**: Needs Improvement
- **10 or below**: Unsatisfactory

**Dispatcher Scenario Drill – Live Evaluation**

You will be participating in a live scenario to assess your adherence to company policies and regulatory requirements.

## What You Are Expected to Do:

- Follow standard procedures for releasing a vehicle.
- Collect full payment in the amount of **$20.27**.
- Request identification and any required documentation.
- Complete any necessary forms or records as you would in a typical release.

This is a live interaction. No additional context will be provided. Proceed as you would during any real customer encounter.
